Magnificent Listate at Iremendous Sacrifice

This wonderfully attractive property is situated among the hills at Bedford, in the heart of the most exclusive, most beautiful and in every way desirable section of Westchester County. It was built a few years ago by the famous financier, Percy P. Lewis, for his own home. He selected one of the most fortile and beautiful stretches of rolling farm land, containing two hundred and sixty-seven acres, through which he built wenderful roads and created a ten acre take, which he stocked with fish. He brought the entire farm estate to a high state of development and cultivation. He built a large English manor house, which is now one of the most beautiful and well known landmarks. It contains a large reception hall, drawing room, dining room, den and office, seven large master's bedrooms, each with private bath; seven servants' betreoms and two servants' baths. The cutbuildings comist of very practical, ample and excellently appointed barns, stables, cottages for the help, large garage, machine shop, &c. He spent before his death more than \$750,000. Due to extraordinary and very unusual circumstances, I am offering this magnificent property for immediate sale at \$250,000. This is the opportunity of a lifetime.
